CURRICULUM VITAE

NAME: Masakazu Makino
(Given Name) (Family Name)

e-mail: makinom[at]ju-shizuoka-ken.ac.jp

AGE (March. 2016): 50 years old (born 24th December, 1966)

OFFICE ADDRESS: University of Shizuoka,
52-1 Yada, Suruga, Shizuoka, 422-8526, Japan.

POSITION HELD: Associate Professor,
in Graduate School of Integrated Pharmaceutical and Nutritional Sciences,
University of Shizuoka.

EDUCATION: University Bachelor of Engineering.
Nagoya Institute Technology. 1989.
Major subjects: Physical Chemistry.
Graduate School Master of Science.
Nagoya University. 1991.
Major subjects: Physical Chemistry.
Doctor of Philosophy
Nagoya University. 1997.
Theme: Studies on the cooperative behavior between lipid molecules
or an air/water and a water/oil interface

SCHOLARSHIP: 1991-2001 Research Associate,
Graduate School of Nutritional and
Environmental Sciences, University of Shizuoka.
1997-2001 Research Associate,
Institute for Environmental Sciences.
1998 Joint research on "Analysis of chemical
Feb. - Apr. composition of the crude oil spilled in the Kuwait
desert" in Kuwait Institute for Science
Research(KISR).
2001-2002 Lecturer - Research Associate,
Graduate School of Nutritional and
Environmental Sciences, University of Shizuoka.
Institute for Environmental Sciences.
2002-2011 Associate Professor,
Graduate School of Nutritional and
Environmental Sciences, University of Shizuoka.
Institute for Environmental Sciences.
2012-present Associate Professor,
Laboratory of Physical Chemistry,
Graduate School of Integrated Pharmaceutical and
Nutritional Sciences, University of Shizuoka.
