

Name

ISHIKAWA Jun

Birth Year and Month

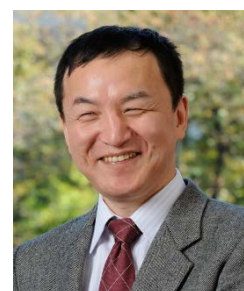

September 1956

Faculty, Title

Professor, Department of International Relations

Professor, Graduate School of International

Relations

Phone

+81-54-264-5325

Room Number

International Relationship Research Department Building, Rm#

3205

Email Address

ishikawa(insert @ here)u-shizuoka-ken.ac.jp

Web page address (URL)

<http://ir.u-shizuoka-ken.ac.jp/ishikawa/>

Academic Background

March 1981 B.A. in Sociology, University of Tokyo Faculty of Letters, Tokyo/Japan

March 1983 M.A in Sociology, University of Tokyo Graduate School of Humanities and Sociology, Tokyo/Japan - concentrated on Social Science A

March 1987 University of Tokyo Graduate School of Humanities and Sociology, Tokyo/Japan - withdraw from the doctoral program with the completion of course requirements

Degrees

Ph.D (1995, Tokyo University, Tokyo/Japan)

Specialism

Sociology, Assistive Technology, Disability Studies

Class Subjects in Charge

Sociology of Transnational Relations IIIA/B, Contemporary Society Research IIIA/B, Special Research on International Behavioral Studies I/II, International Society Research III, Seminar I/II (A/B)

Focused Research Area

— Sociology Field

- Identity Politics
- Disability Studies
- Sociology of Emotions
- Accessibility
- Inclusive Society

— Assistive Technology Field

- Japanese text to Braille Translation
 - Screen Reader
 - Braille PDAs
 - GPS Navigation System
-

Academic Associations

The Japan Sociological Society

The Institute of Electronics, Information and Communication Engineers

Japan Society for Disability Studies (former President)

Major Achievements

April 1987, Research Fellowship for Young Scientists, Japan Society for the Promotion of Science

April 1989, Fulltime Lecturer, Faculty of International Relations,
University of Shizuoka

May 1994 Associate Professor, University of Shizuoka

April 1997 Incumbent Professor, University of Shizuoka

April 2015 Project Professor (Concurrent post), Research Center for
Advanced Science and Technology, University of Tokyo

Social Activities

Member of UN Committee on the Rights of Persons with Disabilities
(2017-present)

Chairperson, Commission on Disability Policy, Cabinet Office, Government
of Japan (2012-present)

Representative Director, Association on Higher Education And Disability -
Japan

Major Publications

Treatise

- Sociology Field

My Approach to Education and Research

People seem to have tendency to spend majority of their life to prove they are valuable, or not worthless.

We call it "Proving of Existence". I see this bruising identity politics around proving of existence as "social process"- from disability, nation, race, gender, and sexuality perspective.
