

Yuya Ohhara, PhD

Research Assistant Professor, Laboratory of Human Genetics

School of Food and Nutritional Sciences, University of Shizuoka

Tel: +81-54-264-5226

Email: y-ohhara@u-shizuoka-ken.ac.jp

Education

Doctor of Philosophy in Graduate School of Nutritional and Environmental Sciences, University of Shizuoka, 2014

Bachelor of Science in School of Food and Nutritional Sciences, University of Shizuoka, 2009

Associate in Department of Materials Science and Engineering, Suzuka National College of Technology, 2007

Employment

University of Shizuoka, School of Food and Nutritional Sciences, Research Assistant Professor, 2015-present

University of California, Riverside, Department of Entomology, Researcher, 2014-2015

Okazaki Institute for Integrative Bioscience, Department of Biodesign Research, Researcher, 2014
