

CURRICULUM VITAE

Yukie Nakai, DDS, PhD

Address: University of Shizuoka Junior College
Department of Dental Hygiene
2-2-1 Shizuoka-shi Suruga-ku,
Shizuoka 422-8021 JAPAN
Phone/FAX: +81-54-202-2686
Email: nakai@u-shizuoka-ken.ac.jp

Birth:

January 1968

Education:

Okayama University, Okayama, Japan	1986–1992	D.D.S	March 1992
Okayama University Graduate School, Okayama, Japan	1992–1996	Ph.D.	March 1996

Faculty Appointments:

<i>Institution</i>	<i>Department</i>	<i>Rank</i>	<i>Years</i>	<i>% of Time</i>
University of Shizuoka Junior College		Dean for Student life and Admission	2018-present	40
University of Shizuoka Junior College	Dental Hygiene	Professor	2016-present	60

Previous Appointments:

<i>Institution</i>	<i>Department</i>	<i>Rank</i>	<i>Years</i>	<i>% of Time</i>
University of Washington	Pediatric Dentistry & Dental Public Health Sciences	Visiting Assistant Professor	1997–2000	100
Okayama University	Pediatric Dentistry	Assistant Professor	1996–2016	100

Membership and Offices:

- Japanese Society of Pediatric Dentistry Member (1992–present)
- International Association for Dental Research Member (1996-present)
- American Academy of Pediatric Dentistry Associate Member (2000-present)
- Japanese Dental Education Association Member (2010-present)
- Japanese Society of Disability and Oral Health Member (2010-present)
- Japan Association of Dental Traumatology Member (2016-present)
- Japanese Society of Child Health Member Member (2016-present)
- Japan Society of Dental Hygiene Education Member (2016-present)
- Japanese Society of Public Health Member (2017-present)
- Japanese Society for Oral Health Member (2018-present)

Dental License and specialty:

- Japanese Dental License 1992
- Certificate of Pediatric Dentist specialty (Jpn Pediatric Dental Assoc) 2000
- Mentor of Pediatric Dentist specialty (Jpn Pediatric Dental Assoc) 2008

Dental School Honors:

Kokusho-prize (1st place honor), Okayama University Dental School (1992)

Professional Honors:

- Visiting Assistant Professor, Faculty of Dentistry, University of Washington, 2000
- Certificate of Diploma, IIPD, University of Turku, 2005

Bibliography

Dr. Yukie Nakai is currently a professor in the Dept. of Dental Hygiene, University of Shizuoka Junior College, Japan. She received her DDS from Okayama University Dental School in Okayama, Japan in 1992, and received her PhD in Pediatric Dentistry from Okayama University Graduate School of Dentistry in 1996. She had been on faculty as an Assistant Professor at the same university for 20 years. She came to the United States in 1997 and worked in the Departments of Pediatric Dentistry and Dental Public Health Sciences as a Visiting Assistant Professor at the University of Washington, Seattle, WA for 3 years, treating pediatric patients in pediatric dental clinic and doing research in dental fear, local anesthesia use in pediatric dental practices, fluoride varnish, and xylitol in children. Dr. Nakai has been certified in Pediatric Dentistry specialist in Japan, and had been working at Okayama University Hospital. She has many articles published in English and in Japanese. Her research interests relate to children's oral health, dental fear and behavioral management.

Dr. Nakai's scholarly work is recognized internationally and nationally. Her paper on measures of children's dental fear, for example, has been cited more than 28 times in international journals. Her work on the effects of xylitol has also been cited widely. She has also been very active as a teacher in pediatric dentistry, public oral health, and dental hygiene in Japan.
